---	--	---

1. Preamble

National Squads within the Equestrian Australia High Performance Program focus primarily on developing Australian combinations to compete at major competitions such as the World Equestrian Games and World Championships.

Selection in these Squads is an indication that Selectors have identified combinations as possible future World Equestrian Games and World Championship competitors. Selection in these squads will provide support / coaching opportunities through the EA High Performance Program to assist the selected to develop further.

Mission: The Green and Gold High Performance Squad Programs provide training opportunities for Australian drivers that have demonstrated a commitment to the goal of competing at EA/FEI level. These programs seek to assist drivers that are in the pursuit of competitive excellence. The programs aim to increase the number of drivers and their horses/ponies competing at high performance levels therefore developing and enhancing the future Carriage Driving in Australia.

2. Definitions

In these Criteria, the following words have the following respective meanings:

Combination	Athlete horse or pony or combination currently competing
Major Events	CAI 1* and above
Rules	FEI Driving Rules 2016. 11th Edition, effective 1st January 2014 updates effective 1 st January 2016
HPM	Equestrian Australia's High Performance Manager
NPD	Equestrian Australia's National Performance Director

All squads will be based on the General and Competition criteria as listed in this document. The selection will be generally based on performances in the preceding 6 to 12 months.

In selecting and assessing potential squad members, the National Selectors may consider outside relevant information e.g. Squad member's personal coaches.

3. National Senior Squads

Appointed Selection panels will select two (2) squads selected as follows:

Gold Squad:

- Members of this squad are combinations who are established at CAI and are identified as capable of gaining selection for World Equestrian Games 2018, or next World Championships.
- Combinations that have achieved medal performances at the most recent World Equestrian Games and or World Championships
- Combinations who were members of a team and placed in the top 10 or individual top 20 at the most recent World Equestrian Games and or World Championships

Green Squad:

Members of this squad are, in principle, talented combinations that are capable of progressing to Gold Squad within the next 4 year cycle.

These drivers / combinations will be selected with reference to the following criteria:

- Proven competency competing currently at CAI competitions with consistent performances within a 12 month period
- Athlete drivers displaying consistent commitment to the sport and aptitude to progress to Gold team selection with the next 4 year cycle
- Athlete driver combination has been identified as having the physical, tactical, technical and personal skill set to achieve team selection within the next 4 year cycle

From time to time selectors may invite potential drivers on an invitation basis to be on the Green Squad.
