

Application to Dressage Equipment Committee

The following application must be used for any query to the Australian Dressage Equipment Committee, a sub-committee of the Australian Dressage Committee. Applicants must ensure they are familiar with the current rules (**Section 2 – Dress, Saddlery and Equipment**) as related to permitted equipment for dressage competitions in Australia available from:

<http://www.equestrian.org.au/dressage-rules>

Applicants are directed to also review the Equipment annex available on that same page.

These 2 documents provide clear guidelines on permitted and non permitted equipment and must be consulted prior to making application to the equipment committee.
