PREAMBLE

It is not possible to provide for every conceivable eventuality in these Rules or the rules of the FEI. If there is no rule that deals specifically with a particular circumstance or if the nearest interpretation of the pertinent rule would result in an obvious injustice, it is the duty of those responsible to make a decision based on common sense and fair play, reflecting as closely as possible the intention of FEI and EA rules.

The FEI Driving Rules and the FEI General Regulations govern the conduct of EA-Carriage Driving Events (Horse Driving Trials) in Australia, except where specifically referred to in these rules.

These Rules & Regulations cannot be used either in principle, in whole, or in part for the judging of Competition unless the Organising Committee or body is affiliated to Equestrian Australia

Section 1: Rules for Horse Driving Trials

The FEI Driving Rules and FEI General Regulations govern the conduct of EA Carriage-Driving Events (Horse Driving Trials) in Australia, except where specifically referred to in these rule

1.1 General Rules for Official Horse Driving Trials

1.1.1 Organising Committees must publish the names of the members of the Ground Jury and of other Officials on a schedule together with the entry forms. Any subsequent changes in Officials must be published and highlighted in the competitors' pack that is handed out at the event.

1.1.2 All appointed Officials must be chosen from the FEI and EA Officials lists.

1.1.3 No Championship may be awarded to participation classes.

1.1.4 Rules for Veterinary Examinations, Inspections and Observations must be strictly implemented.

1.1.5 Yellow Warning Card

Where there is:

- abuse of Horses in any form or
- incorrect behaviour towards Event Officials or any others party connected with the Event,
- non-compliance with Driving Rules,

the President of the Ground Jury, the President of the Appeal Committee and the FEI Chief Steward, as an alternative to instituting the procedures foreseen in the legal system, may deliver to the Person Responsible a Yellow Warning Card.

1.1.6 Motor vehicle variation Rule

The Obstacles may only be inspected on foot. No motor vehicles or bicycles may be taken inside any part of an Obstacle. Failure to comply will be penalised by the issue of a Warning for the first infringement and a Yellow Warning Card for the second. Drivers with Disabilities may apply to obtain dispensation at the time of entry from the Organiser to be exempt from this Article. Approval is at the discretion of Organiser, and the approved vehicle should be clearly identified and the following conditions must be met:

- correct head protection for the type vehicle is worn at all time
- no passengers are carried

1.1.7 Horse Ages for Competitions

Guidelines for training days = 3 yo minimum age

Participation events = 4 yo minimum age

Official Events to remain in line with the Current FEI events = 5 yo minimum age.

1.2 General Rules for Participation Horse Driving Trials

At Participation level Horse Driving Trials, current FEI Driving Rules must be followed, with the following additions, variations and exceptions:

- 1.2.1 Vehicle weights as per FEI Rules will apply, the minimum vehicle weight for unofficial small pony competition (under 120 cm) will be 60kgs with the exception of small pony competitions.
- 1.2.2 Two-wheeled and four-wheeled vehicles are allowed in the Marathon.
- 1.2.3 Single ponies under 120cm (121cm with shoes) are usually included in the single pony class and are allowed the following speeds:

	Maximum Speed	
Section/Test	Km per hour	Minutes per Km
A	11	5.27
B	10	6
	Metres per Minute	
Cones	240	

These allowances may be varied in extreme weather or ground conditions.

- 1.2.4 In all competitions conducted to EA & FEI competition carriage driving rules, carriages can be fitted with Pneumatic (air filled) tyres, except in CAI-2* & 3* FEI events.
 - Be fitted with wheels made of metal or steel, with hub, spokes & rim. Spoke material must not be less than 15mm in diameter.
 - Wheels can be fitted with a Pneumatic (air filled) tyres with low profile tread.
 - Tyres must not be wider than 12cm
 - Not be fitted wire spoke wheels similar to bicycle wheels.
 - Not be driven on uninflated tyres. Disqualification from the event section applies if the carriage is driven with non-inflated tyres. Failure to comply results in Elimination.
 - Not have wide car or truck tyres with solid rims.
 - A repair of air filled tyre is only acceptable in section B, Marathon. Horses must be removed from the carriage to make the repair. Spare wheels cannot be carried on the carriage.
 - Nominated wheels widths rules apply.

In all non-competition carriage driving events eg: Show classes, pleasure driving and basic training.

- Wire spoke wheels are permitted.
- Timber spoke wheels are permitted.
- Pneumatic (air filled) tyred wheels are permitted.
- Hard solid steel/ metal wheels are permitted

- 1.2.5 At the discretion of the organising committee, events are allowed to hold a restricted class for Single, Tandem and Multiple ponies under 120cm (121cm with shoes) with no changes to the EA Rules. The restricted class is only eligible for prizes within its class, not for prizes in the competition within which the restricted class is run.

- 1.2.6 It is optional for competitors in under 102cm classes (103 with shoes) to have grooms unless they are driving a multiple at which time standard rules for multiples apply. For all other classes grooms are obligatory.

1.2.7 Participant Ages

Minimum Age – Athletes and Grooms

Senior Classes:

Class	Athlete Minimum Age
Horses Four-in-Hand	18 years
Horse Pairs	16 years
Horse Single	14 years
All Pony Classes	14 years

Young Drivers Classes:

Class	Athlete Age Class
Horses Four-in-Hand	18 - 21 years
Horse Pairs	16 – 21 years
Horse Single	16 – 21 years
All Pony Classes	16 – 21 years

Juniors Classes:

Class	Athlete Age Class
Horse Pairs	16 -18 years
Horse Single	14 – 18 years
All Pony Classes	14 – 18 years

Children Classes:

Class	Athlete Age Class
Single Pony	12 -14 years

Age:

Age is determined from the beginning of the calendar year in which the Athlete and grooms reach the designated age.

Children from the age at 8 can participate in club/training/participation days to gain experience in the sport prior to competing at the age of 12 as long as they are accompanied by an experienced carriage driver 18 years or older

Junior and children drivers must wear approved protective headgear whenever mounted on a carriage.

1.2.8 As per the EA General Regulations, Article 122 – Dress and Salute

All carriage driving participants up to the age of 18 on the Marathon course must wear protective headgear which includes a retaining harness secured to the shell at more than two points. Protective headgear must be worn with the chinstrap properly adjusted and fastened when jumping in the arena, the practice area and the collecting ring. This is also strongly recommended for anyone working a horse in the exercise and schooling areas or anywhere in the vicinity of the Event.

Protective headgear must conform with one of the current approved safety standards:

- AS/NZS 3838 (Current Australian Standard)
- VG1 (interim European Standard)
- EN 1384 (Outgoing European Standard) during 2016 only – not permitted from 2017
- ASTM F1163 (Current US Standard)

EA highly recommends the use of helmets that conform to Australian Standard AS/NZS 3838, as this standard provides for more stringent testing and further periodic retesting. (Amended 16 May 2008)

1.2.9 Athletes & grooms must wear securely fastened Protective Headgear and a back protector in the Marathon. This is compulsory for competitions and is highly recommended at training/club days.

1.2.10 Organising Committees or Event Officials running a competition may not make further changes to FEI or EA rules.

1.3. Vetting Rules for Participation Horse Driving Trials

Based on FEI Veterinary Regulations.

N.B A qualified veterinarian must be on call at all times during the event, must be within half an hour travelling time of the venue, and must be nominated in the event program. Name and contact details must be posted in a prominent position (event notice board or similar) on the event grounds.

1.3.1 First Examination

- 1.3.1.1 The First Examination must take place at all Events upon arrival of competing horses, and in any case before they enter the Event stables.
- 1.3.1.2 The purpose of this First Examination is to establish the horse's identity by checking the Passport/ papers and any other relevant documents, and to establish its general state of health.
- 1.3.1.3 The First Examination must be performed by a Veterinarian or a Qualified Steward of the host event.
- 1.3.1.4 Any doubtful cases concerning identity or health must be reported to the President of the Ground Jury as soon as possible and in any case not later than one hour before the First Inspection.

1.3.2 First Inspection

- 1.3.2.1 This must take place at all Events before the start of Competition A. It must be performed under the direction of the President of the Ground Jury, together with at least one other member of the Ground Jury, or a Veterinarian or a Qualified Steward. See Veterinary Regulations and Guidelines for Organisers and Officials for details.
- 1.3.2.2 For safety reasons, horses must be presented in a bitted bridle and shown on a loose rein or lead. Each horse must display its identity number (Article 913.1 unless otherwise stated in the event schedule).
- 1.3.2.3 Horses are not permitted to wear bandages or rugs.
- 1.3.2.4 No horse may be presented with its identity concealed in any manner by application of paint or dye.
- 1.3.2.5 One Steward with a whip must be present. He is the only person who may assist if a horse refuses to trot. Handlers may not carry a whip while showing the horse.
- 1.3.2.6 The Inspection consists of an initial observation of the horse standing still. It must then be walked in front of the Inspecting Committee, and then trotted 30 meters away from the Committee before returning towards the Committee at the trot.
- 1.3.2.7 A Veterinarian or a Qualified Steward may be allowed to handle a limb or other parts of the body, but he may not perform any other clinical tests (i.e., flex a limb, or walk or trot a horse in a circle; refer to the FEI Veterinary Regulations).
- 1.3.2.8 In exceptional or doubtful cases, the Inspecting Committee may direct that a horse be placed in an officially supervised holding area for a further inspection to take place at a convenient time later during the Inspection.
- 1.3.2.9 Any horse, which is required to be re-inspected on the following day, may also be sampled for forbidden substances before it is allowed to take part in Competition A.
- 1.3.2.10 Only a member of the Ground Jury has the authority to disqualify any horse which is considered to be unfit for the Event (marked lameness, serious injury or poor general condition). A Veterinarian or Steward has no authority to disqualify a horse at this Inspection.

- 1.3.2.11 In the event of a disagreement within the Ground Jury regarding the fitness to participate of a horse, the President of the Ground Jury will have the casting vote and the decision will be announced immediately.

1.3.3 Second Inspection/ In-Harness Horse Inspection.

- 1.3.3.1 This must take place at all Events during, and at the site of, the 10-minute Compulsory Rest in Competition B of Marathon. One member of the Ground Jury and a Veterinarian or a Qualified Steward, are responsible for this Inspection. It must be performed carefully but rapidly so that the Competitor has time to care for his horses before the start of Section B.
- 1.3.3.2 The fitness of the horses must be determined by clinical observation, which may include: measuring the heart rate, the respiratory rate and the temperature in accordance with the Veterinary Regulations. This observation must be recorded.
- 1.3.3.3 The Ground Jury member must Eliminate the Athlete if his Horse is considered to be lame, injured or obviously exhausted and unfit to continue the Competition.
- 1.3.3.4 Only a Ground Jury member has the authority to eliminate the Competitor if his horse is considered to be unfit to continue the Competition.
- 1.3.3.5 All horses/ponies of a multiple combination must be deemed to be fit

1.3.4 Second Examination/ In-Harness Examination

- 1.3.4.1 The Examination must take place at the finish of Section B of the Marathon at all Events. It must be performed under the supervision of a T r e a t i n g Veterinarian or a Qualified Steward. The Veterinarian or the Qualified Steward has no authority to disqualify a horse. He must report his findings to the Veterinary Delegate and the President of the Ground Jury as soon as possible after the last Competitor has completed the marathon.
- 1.3.4.2 The competitor must present all horse/ponies in his/her combination in a bitted bridle with horse identification number attached
- 1.3.4.3 The horse/pony must in the opinion of the ground jury member be sound and physically well.
- 1.3.4.4 A Second Examination is obligatory at Participation Events.
- 1.3.4.5 All horses/ponies of a multiple combination must be deemed to be fit.

1.3.5 Final Observation before Competition C/ In-Harness Inspection before Competition C.

- 1.3.5.1. The In-Harness Inspection must be carried out before any Horse starts Cones, only when Cones follow Marathon. It must be performed by an Inspecting Committee consisting of one Member of the Ground Jury together with the Veterinary Delegate, or the Veterinary Commission. The Inspection is obligatory at all Events when Cones follow Marathon. The Horse(s) must be presented by the Athlete himself; Competing without presenting will result in an Elimination.
- 1.3.5.2. Horses will be inspected harnessed to their carriages. Leg bandages over-reach boots and brushing boots are permitted, but must be removed if required.
- 1.3.5.3 Only a Ground Jury member has the authority to disqualify the horse if considered to be unfit to continue the event.
- 1.3.5.4 At Participation & Official Events, when Competition B is last it is not necessary to have a horse warm-up observation before Competition B or before Competition C.

1.3.6 Removing a Horse from Competition

- 1.3.6.1 Each member of the Ground Jury has the right and duty to request a Competitor to retire, or eliminate any horse at any time which is evidently lame, injured or unfit to continue. No appeal can be made against this decision.
- 1.3.6.2 The Athlete may Retire at any time.
- 1.3.6.3 The Technical Delegate may stop a Competitor, if, in his opinion, the horse is unfit to continue the competition. Associated penalties will be at the discretion of the Ground Jury following a Ground Jury member's urgent attendance at the site of the stoppage.

1.3.7 Medication Control

This must be conducted in accordance with General Regulations, Article 143 and the Veterinary Regulations, Article 1033.

1.3.8 Vetting Horses at National/State titles

Presentation during Vetting:-

- 1.3.8.1 The Competitor - owner/strapper/driver of all horses being presented to the vet must at all times be dressed in neat attire with appropriate, clean footwear.
- 1.3.8.2 Each pony/horse needs to have a clean bridle (bitted). Headstalls are not acceptable
- 1.3.8.3 ALL ponies/horses should be able to be handled with no danger to the Veterinarian or Steward in charge
- 1.3.8.4 ALL ponies/horses temperatures must be able to be taken, no exceptions, or the pony/horse will be immediately eliminated from the competition.
- 1.3.8.5 If required, legs must be able to be handled safely without the pony/horse leaning, rearing, or kicking.
- 1.3.8.6 ALL ponies/horses mouths must be able to be checked.

Section 2: Accreditation of Officials

All Officials must be current members of Equestrian Australia.

A major review of all Officials (Course Designer or Judge) takes place every three years, so that recommendations for submission to the National Carriage Driving Committee (NCDC) can be made in time to be forwarded to the FEI, which reviews the "International" list. This review includes downgrading and retirement as well as upgrading.

All appointments are subject to approval by the National Carriage Driving Committee (NCDC).

All applicants must have demonstrated the required knowledge, skills and aptitude at the respective level of accreditation.

2.2.1 Classification and Operational levels of Officials

For the benefit of officials, event organisers and competitors the following classifications and operational levels apply. The classification allows officials to know:

- What criteria they have to satisfy to move from one operational level to another,
- The standard of event at which they can competently fulfil their duties, and
- Colleagues with whom they can consult.

The classification allows competitors to enter an event knowing that officials engaged are qualified for the standard of the event and are capable of fulfilling their role.

2.2.2 Classification levels

1. Level 1 – Endorsed by the State Branch Carriage Driving Committee and appointed by the NCDC.
2. Level 2 – Endorsed by the State Branch Carriage Driving Committee and appointed by the NCDC.

2.5 To have attended and passed at least one FEI course for International Candidate Technical Delegates.

3. Limitations

3.1 An International Candidate Technical Delegate must meet the qualification requirement laid down for International Technical Delegates, be recommended for promotion to the status of International Technical Delegate by his NF and be promoted by the FEI Driving Committee within five years of becoming an International Candidate Technical Delegate. At the end of the five year period International Candidate Technical Delegates will either be promoted or dropped from the list.

3.2 International Technical Delegates who are no longer able or willing to act regularly will be removed from the FEI list by the FEI Driving Committee.

3.3 Technical Delegates of all categories must retire at the end of the year in which they reach the age of 70. In very special circumstances and on recommendation of FEI Driving Committee the age limit may be extended for a further four years.

3.4. A Technical Delegate must officiate as Technical Delegate at an international event at least once every five years or, at the discretion of the Driving Committee, have his name removed from the FEI list of Technical Delegate.

3.5 To retain their status, Technical Delegates must attend a clinic or seminar every four years for their respective category. Otherwise they may be removed from the list at the discretion of the Driving Committee.
