In particular, horses must be registered with a stud book recognised by the WBFSh.

For five and six year old young horses to be considered for endorsement to the FEI World Breeding

Championships for Young Dressage Horses they must have a minimum of 2 performances of at least 80% in an official young horse competition with at least 7.5 for each pace.

For seven year old young horses to be considered for endorsement they must have a minimum of 2 performances of at least 70%, a minimum of one performance is required in an official young horse competition, and one performance may be from an official competitive Prix St-Georges.

5.7 Guide for riders and judges

Judges will award a mark out of 10 (decimal points are permitted) for walk, trot, canter, submission and perspective as a dressage horse. Judges must consider the following questions when making their assessments:

- is the horse clearly demonstrating correct education according to the training scale?
- does the horse demonstrate a desirable picture of a dressage horse?

The fundamental criteria of paces, submission and perspective as a dressage horse are evaluated as follows:

- a) the steps and strides must be in a regular rhythm and free from tension
- b) keeping in mind the training level of the horse, special emphasis should be placed on:
 - a smooth and steady contact
 - the willing acceptance of the bit
 - a submissive poll in the three basic paces and in the different tempi and the transitions
 - flexion and bending
 - the harmonious development on both reins
 - suppleness
 - desire to go forward
 - ability to engage the hindquarters
 - potential to collect.
- c) during the initial movements of the test, horses that still show signs of tension and concentration lapses, or even shying or unsettled, should be judged more benevolently than in a normal dressage competition

- d) minor mistakes should not be given weight if, in principle, the horse is demonstrating good movements *and* is demonstrating the adoption by the trainer of desirable training technique
- e) it is recommended that one of the judges provides a commentary after the completion of each horse's test in at least the second round but preferably for both the first and second round. This commentary is mainly for the benefit of spectators and the main purpose is to explain the rideability and strengths of the individual horse in relation to the demands at each level of competition, the quality of the three basic paces, and the horse's ability to perform as a high level dressage horse
- a) see FEI Dressage Handbook for further notes on the purpose of and judging of Young Horse competition.
- b) for the 7 year old competitions the technical judge is looking at the way the horse copes with the demands of the test and the adjustability shown with the more difficult exercises asked for and the demand for collection, engagement and mobility. All judges have a clear focus on basics, a clear rhythm, sufficient swing in the back and engagement of the hindquarters, acceptance of the contact, lateral bend and suppleness. That the horse is balanced and straight in the work without tension and able to execute the flying changes and 1/2 pirouettes correctly. The technical and quality scores are added together.
