6 Nomination Criteria

Threshold Criteria

- 6.1 The National Federation only will consider for nomination Combinations who have achieved within the FEI Qualification Period the following minimum eligibility requirements (MER) within the qualification period (as specified in the Qualification System), either:
- (a) 1 qualifying result² at a CCI 5*-Long or 5* Major; OR
 - (b) 1 qualifying result in a CCI4*-Long AND 1 qualifying result in a CCI4*-Short.

Subjective Criteria

- 6.2 The National Federation will nominate the three (3) Combinations who satisfy the threshold criteria in clause 6.1 and who, in the opinion of the National Federation operating through its EA High Performance Panel and the Eventing Selection Panel, in its absolute discretion:
- (a) will be most likely to achieve the highest competitive results at the Games; and
 - (b) are, and will remain until the conclusion of the Games, positive ambassadors for the Sport, the National Federation and the Games.
- 6.3 The Eventing Selection Panel will consider the following in relation to any Combination under consideration for nomination:
- (a) Competition Considerations
 - (i) The Eventing Selection Panel will consider competition results achieved by the Combination.
 - (ii) The Eventing Selection Panel will primarily consider competition results achieved at international competitions at CCI4*-S, CCI4*-L and CCI5*-L levels and/or national competitions at CCN4*-S and CCN4*-L levels during 2019 and 2020.
 - (iii) Competition results achieved at 4L and 5L level (or the equivalent) prior to 2019 may be considered to demonstrate the experience of the Combination.
 - (iv) In exceptional circumstances, the Eventing Selection Panel will consider competition results achieved at 3L level during 2019 and 2020.
 - (b) Objective Considerations
 - (i) In assessing the performances achieved by Combinations, the Eventing Selection Panel will consider the following objective measures:
 - (A) the final score (across all three phases of the competition);
 - (B) the scores achieved in each individual phase; and

² An FEI qualifying result is achieved by completing the above Competitions within the minimum parameters of an all-round performance, with:

- **Dressage test:** minimum 55% percent;
- **Cross-Country test:** clear (0) round or 11 penalty points on Cross-Country Obstacles, not more than 75 seconds over the optimum Cross-Country phase time. At CCI 5*, the maximum time by which the optimum time may be exceeded is 100 seconds;
- **Jumping test:** not more than 16 jumping penalties.

- (C) the final placing of the Combination (provided that the final score and placing of each Combination will be considered but does not automatically place one Combination above another for nomination purposes).
- (ii) The Eventing Selection Panel may, in its sole discretion, consider (but not rely upon) data and analysis provided by external providers including (but not limited to) the Australian Institute of Sport and EquiRatings. Any ranking or ratings provided by external providers will not automatically position one Combination ahead of another for nomination purposes.
- (c) Discretionary Considerations
 - (i) In assessing the performance of Combinations, the Eventing Selection Panel will consider competition-based factors. These factors include, but are not restricted to:
 - (A) the performance of each Combination in relation to the quality and number of competitors; and
 - (B) the technical features of the competition, in particular (but not limited to):
 - (1) dressage judging (including the breakdown of scores across multiple judges);
 - (2) cross-country fences and terrain;
 - (3) relative difficulty of the show jumping;
 - (4) quality of riding by an Athlete; and
 - (5) general conditions under which the performance is achieved, such as the weather, surface and footing.
 - (ii) In assessing the performance of Combinations, the Eventing Selection Panel will give consideration to general factors. These general factors include, but are not limited to:
 - (A) The suitability of the Combination for the expected conditions of the Games (taking into account the primary objective of the team and the secondary objective of the individual competition);
 - (B) The role that a P Alternate Athlete and Horse can play under the scoring system to be used at the Games;
 - (C) The overall balance of the Combinations that have been selected; and
 - (D) The ability and experience of the Combination to compete successfully at high-level international competition. Consideration will be given to:
 - (1) demonstrated experience and/ or success at Championship level;
 - (2) ability, or potential ability, of a Horse and/or Athlete to perform under the stress and pressure of an Olympic Games;
 - (3) ability of the Athlete to prepare their Horse to peak condition for a major campaign;
 - (4) ability of the Athlete to contribute towards an effective team environment;
 - (5) consistency of performance and the likelihood of a suitable performance to contribute towards a team outcome; and

- (6) exceptional ability of a Combination (and the potential to achieve an individual medal). This factor may, in the Eventing Selection Panel's sole discretion, place a Combination with less experience or consistency ahead of another Combination.
 - (iii) The Eventing Selection Panel has the discretion to place greater or lesser emphasis on any one or more of the Competition, Objective or Discretionary Considerations outlined above.
- 6.4 In determining whether a Combination has satisfied the criteria set out in clauses 6.1 to 6.3 above, the National Federation will not have regard to Extenuating Circumstances.

P Alternate Athletes

- 6.5 As Australia has received a team quota place in accordance with the Qualification System, the National Federation may identify one Combination as the P Alternate Athlete and Horse (in addition to the Combinations nominated for selection). The High Performance Panel, in its sole and absolute discretion, will decide whether or not to identify a P Alternate Athlete and Horse.
- 6.6 The Combination (if any) to be identified as the P Alternate Athlete and Horse will be determined based on the criteria set out in clauses 6.1 to 6.4 above.
- 6.7 For the avoidance of doubt, the Combination nominated as the P Alternate Athlete and Horse will not be part of the Team unless, and until, they are selected to replace a previously selected Combination.

7 Pre-competition change

- 7.1 The National Federation may make a Pre-Competition Change following nomination of the team to the AOC, if
 - (a) in the opinion of the Eventing Selection Panel (in consultation with the Team veterinarian and/ or the High Performance Director), there has been a loss of form or fitness by any member of a nominated Combination that is assessed to be likely to be sustained and affect performance at the Games; or
 - (b) any member of a nominated Combination contravenes FEI Veterinary Regulations or the AOC policies;by excluding that Combination from the nominated Combinations or (if the Team has already been selected) requesting that the AOC remove that Combination from the Team. The National Federation may nominate another Combination that meets the Eligibility and Nomination Criteria set out in this document to the AOC for selection in the Team in place of the excluded Combination.
- 7.2 In accordance with the FEI Rules, an Athlete cannot be nominated for selection as part of a Pre-Competition Change unless they were included on the TOCOG Long List. For the avoidance of doubt, the Combination nominated to replace a Combination already nominated to the Team as part of a Pre-Competition Change may or may not be the P Alternate Athlete.
- 7.3 At any time after the Pre-Competition Deadline (as defined in the FEI Rules), the National Federation may request that the AOC replace a selected Combination with the P Alternate Athlete and Horse if, in the opinion of the Eventing Selection Panel (in consultation with the Team

veterinarian and/ or the High Performance Director), the criteria for replacement under the FEI Rules and the 'IOC/Tokyo 2020 Late Athlete Replacement policy' are satisfied.
