

STEPS TO GETTING CLASSIFIED

STEP 1 COLLECT MEDICAL DOCUMENTATION

- Check list of eligible impairments
- Impairment must be due to an Underlying Health Condition

STEP 2 APPLY FOR CLASSIFICATION

Include supporting medical diagnostic information from a doctor of medicine (due 6 weeks before classification day)

STEP 3 ATTEND CLASSIFICATION DAY

There are two components:

1. Physical assessment
2. Riding assessment

Take any compensating aids that you normally use

STEP 4 GET CLASSIFIED

You will be allocated a Grade (I-V) and Profile, plus any non-standard compensating aids

(results available in four weeks)

Not eligible for classification

STEP 5 GET ADDED TO MASTER LIST

STEP 6 APPLY FOR EXEMPTION CARD

STEP 7 COMPETE

If you don't compete in a four year period you will be removed from the Master List

ATTEND REVIEW IF REQUIRED
