### **Other notable or interesting outcomes**

The Tomkinson Group Dressage CDI-W was an opportunity for Australian-based riders to post a qualifying score for selection competitions for the World Equestrian Games in Tryon in September. Shannan Goodwin posted a personal best score to win the Grand Prix on Friday, scoring 70.500 per cent for the win, their first Grand Prix score above 70 per cent

and their second result in seeking to qualify for selection competitions for the Australian team.

Shannan Goodwin and Aristede from NSW are only the fourth pair to to have logged at least two of three required qualifying scores of at least 68 per cent. The others being Mary Hanna, Brett Parbery and Kristy Oatley.

Back to back wins for the P.S.I. Australian Young Dressage Horse Champion of Champions in 2017 and 2018 - a great achievement that has only been reached by two other horses in the 20-year history of the event (Donner Carina and Shiraz Black).
