Equestrian Australia (EA) will be delivering compulsory education activities for EA Coach Educators (CE) and Skill Specific Trainers and Assessors (SSTA) in preparation for the EA Coach registration period (1 July 2021).

Allowing for possible border closures (due to COVID) and to ensure we can deliver these essential re-accreditation opportunities to maintain the integrity of the EA coaching scheme, EA will deliver these updates using technology. This was successfully trialled in October 2020 and we wish to build upon this success.

**Please note:** A CE/SSTA Update is **not intended** to be professional development but an UPDATE on the EA system and the role of the CE/SSTA within it.

To register, please complete this form and return to [coaching@equestrian.org.au](mailto:coaching@equestrian.org.au)
