For information on skill recognition, please refer to <http://www.equestrian.org.au/content/skills-recognition>

THIS FORM IS USED TO ENDORSE COMPETITION RESULTS/OTHER ACCREDITATION FOR A CANDIDATE TO COMMENCE TRAINING & PURCHASE RESOURCES AT AN IDENTIFIED LEVEL WITHIN THE EA COACHING SYSTEM

*NB: an endorsed does not enable registration as an EA coach until coach education at the level they have been endorsed has been completed by the direct assessment process eg if endorsed to commence training at Level 1, a coach **CANNOT** register as an Introductory Coach unless direct assessment has occurred ie worked with 2 x Coach Educators through the coaching resources and been assessed as competent.*

This form must be sent to the EA National Office (coaching@equestrian.org.au) as a skills recognition endorsement of an EA Coach candidate. This endorsement must be provided by a currently registered, appropriately accredited EA Coach Educator confirming the candidate's results/accreditation in relation to the EA system. A skills recognition order form received from a coach candidate will not be processed without this form. NB: All competition results must be from EA sanctioned (Official) events.

Please ensure you are familiar with this document (https://www.equestrian.org.au/sites/default/files/Signing%20Assessment%20Slips_0.pdf) prior to completing this form as **not all CEs are able to assess/endorse all levels/disciplines**. The assessments that a CE are able to assess are determined by the discipline and coaching accreditation held by the CE/SSTA.
