- 4.3 Up to three (3) Reserve Combinations may be named ('the **World Championship Reserves**') depending on the composition of the Selected Team from the Nominated Entries. The Reserve Combinations will not be ranked.

5 Substitution

Following selection to the World Championship Para Dressage Team and prior to Definite Entries Date:

Team by the NPDSP (in consultation with the High Performance Director, Para High Performance Lead and the Team Veterinarian); or

- b) ceases to comply with the Athlete, Horse and Horse Owner eligibility in Clause 3; or

then a World Championship Reserve may be selected to take their place. In this instance, the World Championship Reserve Combination:

- a) will be selected according to the criteria in Clause 4, 4.1-4.3 above.
- b) Will be nominated to the FEI in accordance with Article 841.1.2 – Substitutions in the FEI rules.

6 Selection Criteria

The selection criteria combine pre-requisite FEI Minimum Eligibility Requirement (MER) followed by EA Competition Criteria and Discretionary Considerations.

6.1 Minimum Eligibility Requirement

To be able to participate in the Championship, all Athletes/Horses must achieve, as a Combination, the MER set out under the [FEI Para Dressage Qualification Criteria](#) document.

6.2 Competition Criteria

In addition to Clause 6.1, to be eligible for consideration for selection, a Combination is to have achieved the following competition criteria:

- a) the Combination must achieve an MER of 64% or higher between 1 January 2025 and 15 June 2026;
- b) the Combination must achieve a total percentage score of 67% or above in a Grand Prix Test A or Grand Prix Test B in at least two CPEDI 3* events between 1 October 2025 and 15 June 2026; and
- c) the Combination must compete in no less than two CPEDI 3* events between 1 January 2026 and 15 June 2026.

6.3 Discretionary Considerations

For the purposes of assessing Combinations that have achieved the criteria in Clause 6.2 the NPDSP may consider the following factors in its sole and absolute discretion:

- a) the mix of classification grades necessary for the selected Team to retain its eligibility to compete in the para-equestrian team event (in accordance with FEI Article 8410.2.2) in the situation where one selected Combination becomes unavailable to compete;
- b) the level of competition and the depth of the field at which each result was obtained;

- c) the consistency of the Combinations performances;
 - d) an improving trend in the Combinations performances during 2026;
 - e) more recent results, placing weight on scores in 2026;
 - f) the ability of the Combination to compete successfully at high level international competition;
 - g) demonstrated experience/success at international events;
 - h) the ability or potential of the Combination to perform under the stress and pressure of an event such as the Championships;
 - i) the ability of the Athlete to prepare their Horse for a major campaign;
 - j) the ability of the Athlete to contribute to an effective and harmonious national team;
 - k) the physical form and fitness of the Athlete and their Horse; and
 - l) the advice of EA High Performance Director, Para High Performance Lead, Chef d'Equipe and Team Veterinarians, particularly concerning the fitness of the Combination to perform at the required level.
- 6.4** The NPDSP has the discretion to place greater or lesser emphasis on any one or more of the factors outlined in Clause 6.3.
- 6.5** The NPDSP will not consider an Athlete's World Ranking.
- 6.6** For the avoidance of doubt, the NDSP will not approach their task as a pure numerical ranking of Combinations by scores alone.
- 6.7** In determining whether a Combination has satisfied the criteria set out in Clause 3 and Clause 6, 6.2 to 6.3 above, EA may have regard to Extenuating Circumstances.

7 Integrity

As a condition of Selection and part of EA's commitment to upholding the highest standards of Integrity, EA will request Athlete consent for disclosure of any open integrity complaints or substantiated findings made against the Athlete in the past three (3) years. This information will be used solely for the purpose of evaluating eligibility and adherence to Integrity standards. Refer to Appendix 1 which outlines the framework and includes the formal consent form.

8 Appeals

A non-selected Athlete may only appeal against their non-Selection in accordance with the EA Selection Appeals Policy. For more information, [click here](#).

9 Selection Ombudsman

The High Performance Committee (HPC) will appoint a Selection Ombudsman to assist Athletes and the HPC to understand the process of selection and to explore resolution of potential disputes concerning selection and non-selection.

9.1 Powers of the Selection Ombudsman

- a) Investigate acts and omissions of the EA National Discipline Selection Panels (NDSP) in relation to the exercise of their powers under the Discipline Selection Policies where:

 - ii. communicates primarily with the High Performance Director and Chairs of Selectors of Olympic and Paralympic disciplines; and
 - iii. communicates directly to athletes through explanatory and debriefing sessions arranged by the High Performance Director.
- c) The Selection Ombudsman is not required to investigate all complaints or inquiries. For example, the Selection Ombudsman may refuse to deal with a matter if the Selection Ombudsman considers:
 - i. it is trivial, frivolous, vexatious or not made in good faith; or
 - ii. it lacks substance or credibility; or
 - iii. the subject matter of the complaint or inquiry has already been investigated or otherwise dealt with by the Selection Ombudsman.
- d) Investigations by the Selection Ombudsman must be completed promptly and within the timeframes governing rights of appeal by non-selected athletes.
- e) The Selection Ombudsman prepares timely written reports to the High Performance Director that address any acts or omissions of the relevant NDSP in relation to the exercise of their powers under the Discipline Selection policy and may make recommendations which must be given due consideration by the HPC and the relevant NDSP. The report may at the discretion of the High Performance Director be provided in full or in part to the Athlete but is otherwise confidential.
