States may offer combined Child/Junior classes that will be split if there are 3 or more competitors entered in each section. Where split Child/Junior classes have less than 3 competitors in a class at the discretion of the organising committee these classes may be combined .i.e. instead of 2 galloway classes with less than 3 in each they be combined to 14h up to inc. 15hds.

**6.6** The selection of State representatives will be the sole responsibility of the State Branch concerned and entries must be lodged through the relevant State Branch by the closing date of the event.

The winner, runner-up and third place getter in the open show horse, open show hunter and leading rein classes retrospective from 1<sup>st</sup> January 2019 from state qualifying events will be invited to compete at the Australasian Show Horse Championships. The 4<sup>th</sup> placegetter in these classes will not be a reserve for these sections.

The winner and runner up in the Junior/Child's and Rider Classes from state qualifying events will be invited to compete at the Australasian Show Horse Championships. The winner and runner-up place getter from state qualifying events will be invited to compete at the Australasian Show Horse Championships.

Should the winner and runner up accept their invitation to compete, the third place getter will not be required. If the winner or runner up is not able to accept their invitation, then the third place getter will be eligible to compete. The EA Show Horse Committee will not consider applications for horses/ponies/riders placed lower than third place at their State HOTY. In the event that a competitor has more than one horse in a class, the rider will be permitted to ride multiple horses, however if at the request of the judges or organising committee that a "go around" is required for all classes then another rider will need to be elected. The nominated rider must adhere to the age restrictions of the class.

**6.11** A horse competing in the Show Horse, Show Hunter and Leading Rein Classes must be ridden by a member from the State or Territory that the horse is representing. The state in which you compete in the HOTY is the state that you must represent at the Australasian Show Horse and Rider Championships in that calendar year
