

Equestrian Australia Jumping Committee - UPDATE

Meeting held: 8 April 2020

Below is a summary of proceedings at the recent EAJC Committee meeting:

MEETING DISCUSSION

Boneo Park was congratulated on the conducting of the 2019 Australian Jumping Championships in very trying conditions. The footing in the main and grass arenas was good, especially with the amount of traffic they had over the Championships.

The EA Jumping Committee expressed their support of Boneo Park's efforts in trying to run the Australian Jumping Championships in November 2020. Should this not be achievable, they agreed that they would be more than happy for Boneo Park to look towards running the event in April 2021, and should that not be possible, then in November 2021.

Acknowledgement of the uncertainty for businesses currently bought on by COVID-19 was noted.
