About the role

The purpose of this role is to capture and promptly provide to EA's media team print quality images which can be distributed to major Australian media outlets as well as the EA website and social media websites.

The successful applicant will work closely with EA's social & media team on the ground in the USA to meet Australian media deadlines and update the EA website and social media channels in a timely manner. The successful applicant will also be in close contact with the High Performance Team and the Australian athletes and support team.

Key tasks

- Capture print quality competition images suitable for use by major Australian print outlets
- Download, label, sort and supply photos on a daily basis and supply to EA's social & media team for prompt distribution.
- Follow direction of EA's social & media team to ensure priority events are covered well and other photographic requirements as determined by the EA team.

Knowledge, skills and experience

- Equestrian sport/action photography experience.
- Ability to work within the scope/brief
- Ability to meet deadlines
- Ability to work with broader media/editorial teams
- Strong understanding of the Australian sporting media landscape and the requirements of news outlets – both print and online
- Ability to work without supervision
- Enjoy working in a team environment and have a strong team attitude
- Capacity to build a respectful relationship with the Australian athletes and their support teams
- Excellent organisational skills

Other requirements

- Attend the entire duration of the FEI World Equestrian Games™ 2018 to be held at the Tryon International Equestrian Centre in North Carolina (USA) from 10 to 23 September 2018.
- The successful applicant will work **exclusively for Equestrian Australia**.
- Wear the Australian team uniform as required
- Conduct self in a professional manner including being punctual and reliable
- Assign EA full rights to all images **free of charge** taken at the WEG for future editorial, promotional and advertising use

Applications process

Applicants will need to supply a portfolio of work of no greater than 30 images. The portfolio may be supplied in electronic format and should be accompanied by a cover letter of no longer than two pages outlining your experience and key attributes.

Please submit three (3) written references (with contact details) – at least one to be from a media/news outlet.

Applications are being accepted from Australian based and International photographers.

Remuneration and Reimbursement

This will be discussed and negotiated with the successful applicant

The successful applicant will need to be able to supply their own equipment including camera and computer.

How to apply

Images may be loaded to a platform of your choice (Dropbox, Big File Sender, etc.), with the link to access the images supplied as part of your application.
