

EQUESTRIAN AUSTRALIA

High Performance Jumping Program Generation Next

Application Form

The HPJP Generation Next involves an 'athlete-centred, service-supported model. Targeted group athletes are identified and recruited into the squad and will be led by the National Performance Director – Jumping who will provide a variety of services focused on developing riders to the level of senior international athletes who can achieve world class performances in the future.

- Riders between the age of 18 years of age (year they turn 18 years) through until 30 years (end 2014)
- Riders must be jumping confidently at 1.40m plus at CSI1-2*-W Australia, CSI2-4* International.
- Riders must demonstrate abilities (skill, management and aptitude) required to compete at the higher levels of the sport.
