## REQUIREMENTS FOR PROMOTION

The following information has been copied from the EA National Show Horse Rules. EA members applying for accreditation as a Show Horse Judge must direct their application to their State Show Horse Committee. Please see contact details on the last page of this booklet.

Financial members of EA, who are interested in becoming an Official Show Horse Judge, must complete and submit an application form detailing their experience and referees according to the criteria for promotion and maintenance listed on the following pages.

Applications received by the relevant State Show Horse Committee are then assessed and a decision made as to whether the applicant is accepted at Provisional Level. This is at the sole discretion of the committee.

The State Show Horse Committee will forward a copy of successful applications to the EA National Office. For National upgrade once the paperwork has been received by the EA National Office it is submitted to the National EASHC for appointment. Upon satisfactory completion of the requirements of each level you will be accredited as a Show Horse Judge. The EA National Office will record all new Judges on the EA Show Horse Judges List.

Each judge will receive a letter, certificate and badge from Equestrian Australia verifying their accreditation.

In order to remain accredited on the National judges list you must be a member of EA and meet compulsory Judging activity and professional development requirements every three years. Further information on this can be found on the EA website and will be sent when accredited as a Judge.

## WHAT MAKES A GOOD JUDGE?

As a Judge you have to be highly organised and professional. You have to be able to focus, make decisions quickly, firmly and be confident of the training you have received plus the knowledge and experience you have acquired as a Judge. You must possess diplomacy, tact and common sense.

You are part of a team and if you are the Chief Judge, you lead that team. You must be approachable and be able to liaise well with the Organising Committee, other officials and riders.

As a judge you must **be consistent and fair and have a thorough knowledge of Show Horse rules and their application.**

It is important for officials to be:

- Physically fit
- Be able to be consistent and fair from the beginning to the end of the competition
- Mentally alert and able to concentrate for long periods of time

The official must have a thorough knowledge of show horse competition as well as practical show horse training.

## The FEI Code of Conduct for the Welfare of the Horse

1. The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times **the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.**
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.
