

January 2018

Dear Dressage Stewards,

Please refer to the Amendments and additions summary to the EA Dressage rules there are lots of relevant updates in this document for National Stewards
[http://www.equestrian.org.au/sites/default/files/EA National Dressage Rules Summary 01012018 2.pdf](http://www.equestrian.org.au/sites/default/files/EA_National_Dressage_Rules_Summary_01012018_2.pdf)

A reminder to EA National stewards to check the Equipment Annex before officiating at events <http://www.equestrian.org.au/dressage-rules>

For FEI stewards – I suggest you download the new 2018 marked up dressage rules

There are also updated FEI Vet & Gen. Regs which you should be familiar with. A good idea is to download the FEI Rule app as this is updated each time things are updated.

Bookmark amongst your FEI “other useful documents page”
