SUMMARY

Equestrian Australia and all our Equestrian Organisations have a zero-tolerance approach to child abuse and neglect in any form.

Equestrian Australia is committed to safeguarding and promoting the welfare of Children in Equestrian by providing a safe and inclusive environment and by ensuring that everyone involved in Equestrian is educated and informed of their responsibilities to protect and look after Children.

All Children have the right to feel safe and protected from all forms of abuse, harm, and neglect. Children have the right to take part in sport in a safe, positive, and enjoyable environment.

Equestrian Australia aims to create and maintain an inclusive, child-safe environment that is understood, endorsed, implemented, and adhered to by everyone involved in Equestrian.

This Policy is part of Equestrian Australia's proactive and preventative approach to upholding its commitment to the safety, wellbeing, participation and empowerment of all Children who access Equestrian.

This Policy seeks to ensure that everyone involved in Equestrian is aware of their rights and responsibilities in relation to Children. This Policy sets out the standards of behaviour expected of those involved in Equestrian and the behaviours that are not acceptable ('Prohibited Conduct').

This Policy also imposes obligations on Equestrian Australia and Equestrian Organisations in relation to Mandatory Reporting as well as to respond to allegations of Prohibited Conduct and to implement a commitment to child safety and child-safe practices, including recruitment and screening of staff and volunteers.

SCHEDULE 1 - Child Abuse Definitions

Child Abuse is the mistreatment of a Child that:

- causes, is causing or is likely to cause any detrimental effect on that Child's physical, psychological, or emotional wellbeing; or
- does, or is likely to, endanger that Child's physical or emotional health, development, or wellbeing,

whether through a:

- single act, omission, or circumstance; or
- series or combination of acts, omissions, or circumstances,

and includes:

- 1. Physical Abuse** occurs when a person subjects a Child to application of physical force, which may cause injury intentionally or inadvertently as a result of physical punishment or the aggressive treatment of a Child. Physically abusive behaviour includes, but is not limited to:
 - (a) shoving, hitting, slapping, shaking, throwing, punching, biting, burning, kicking; and
 - (b) harmful training methods or overtraining where there is the potential to result in damage to a Child's physical development.
- 2. Emotional or Psychological Abuse** occurs when a Child does not receive the love, affection, or attention they need for healthy emotional, psychological, and social development or are exposed to violence/abuse against other Children or adults. Such abuse may involve:
 - (a) repeated rejection or threats to a Child;
 - (b) constant criticism, teasing, ignoring, threatening, yelling, scapegoating, ridicule, intentional exclusion, continual coldness, and rejection;
 - (c) Bullying and Harassment;
 - (d) harmful training methods or overtraining where there is the potential to result in damage to a Child's physical, intellectual, or emotional wellbeing and development.
- 3. Sexual Abuse** occurs when an adult, or a person in authority (i.e. older, or younger but more physically or intellectually developed) involves a Child in any sexual activity. A child cannot provide consent, therefore even if 'consent' is given, it still constitutes sexual abuse.

Perpetrators of sexual abuse take advantage of their power, authority, or position over the Child for their own benefit. It can include making sexual comments to a Child, kissing, touching a Child's genitals or breasts, oral sex, or intercourse with a Child.

Sexual exploitation is a form of Sexual Abuse and occurs when Children are forced into or involved in sexual activities that are then unlawfully recorded in some way, or recorded without the consent of one or more parties, or used to produce child sexual abuse material. Such material can be in the form of photographs or videos, whether published or circulated on the internet or social media. Encouraging a Child to view pornographic videos, websites, or images, or engaging a Child to participate in sexual conversations over social media or otherwise is also considered sexual exploitation.

- 4. Neglect** is the persistent failure or deliberate failure or denial to meet a Child's basic needs. Child Neglect includes the failure to provide adequate food, clothing, shelter, adequate supervision, clean water, medical attention, or supervision to the extent that the Child's health and development is or is likely to be harmed. Types of neglect include physical, medical, emotional, educational neglect and abandonment.
- 5. Exposure to Family Violence** is any abusive behaviour used by a person in a relationship to gain and maintain control over their partner or ex-partner. It can include a broad range of behaviour that causes fear and physical and/or psychological harm. If a Child is living in a household where there have been incidents of domestic violence, then they may be at risk of significant physical and/or psychological harm.

Annexure A: Responding to Child Abuse Allegations

You must ACT.

As a person involved in Equestrian you play a crucial role in protecting Children. You must follow the four actions set out below when responding to any Child Abuse allegations.

Action 1 - Responding

If a Child is at risk of immediate harm you must ensure their safety by:

- Calling 000 for medical and/or police assistance to respond to urgent health or safety concerns;
- Administering first aid, if required;
- Separating at-risk Child and others involved;
- Identifying an appropriate contact person for any on-going liaison with the Police.

If there is no immediate harm go to Action 2 below.

Action 2 – Reporting

If you suspect, on reasonable grounds that a Child is, or is at risk of being abused and/or neglected, you must report it to the police and/or the relevant State/Territory child protection agency.

If the alleged Child Abuse is occurring in a Relevant Organisation, it must be documented on the Report Form found on the [SIA website](#).

You must also report internally to the National Integrity Complaints Manager, who then needs to report to the National Integrity Manager, CEO and Board.

Action 3 – Contact

You must contact the police and/or the relevant child protection agency to determine the information that may be shared with parents/guardians, and who should lead this contact (i.e. police, child protection department or Relevant Organisation representative). This could include advice:

1. Not to contact the parents or guardians in circumstances where they are alleged to have engaged in the abuse; or
2. To contact the parents/guardians and provide agreed information as soon as possible.

Action 4 - Support

- Support should be provided to any Child that has experienced abuse.
- It is important that the person providing support to the Child does not attempt to provide support which is outside of the scope of their role.
- Support should include maintaining a calm open manner when listening to any allegations and/or disclosures, while avoiding seeking detailed information or asking leading questions.
- This information needs to be well documented and shared with the National Integrity Complaints Manager.
- Further support for the Child, relevant adults and others involved may be required, including a referral to wellbeing or healthcare professionals and or the development of a safety plan.

Equestrian Australia's Child Safe Practices have been developed to identify and prevent behaviour that may be harmful to Children in our sport.
- A breach of these Child Safe Practices is a breach of the Child Safeguarding Policy and will be managed by the Complaints, Disputes and Discipline Policy.
- There may be exceptional situations where aspects of the Child Safe Practices do not apply, for example in an emergency it may be appropriate to physically restrain a child. However, it is crucial that, where possible, you seek authorisation prior to taking action that does not comply with these practices or that you notify a Relevant Organisation as soon as possible after any incident in which these practices are not complied with.

1.1 Sexual misconduct

- (a) Under no circumstances is any form of 'sexual behaviour' to occur between, with, or in the presence of Children.

- (a) ensure that a parent/guardian is involved in any significant decision, including the signing of any documentation in relation to their Child's involvement in Equestrian.
- (b) conduct all training sessions in open locations and allow parents/guardians to watch their Children during training.
- (c) make parents/guardians aware of the standard of behaviour required when watching their Child during equestrian Activities. Parents/guardians displaying inappropriate conduct may be asked to leave but may not be denied access for an undetermined amount of time.

1.13 Transporting Children

- (a) Children are only to be transported in circumstances that are directly related to the delivery of equestrian Activities.
- (b) Other than in an emergency, it is not acceptable for Relevant Persons to transport Children without prior written approval from their parent/carer or guardian. Gaining approval involves providing information about the proposed journey, including the:
 - (i) form of transport to be used;
 - (ii) reason for the journey;
 - (iii) route to be followed, including any stops or side trips; and
 - (iv) details of anyone who will be present during the journey.
- (c) When transporting Children, the Relevant Person must drive responsibly, not be impaired by alcohol or any other mind-altering substances, have an unrestricted drivers' licence and to the extent practicable, not be alone in the car with a Child and/or request the child sit in the back seat..
- (d) Children may only be transported in a vehicle when the manufacturer stated capacity is adhered to and seatbelts and child restraints must meet Australian Standards (AS/NZS1754).

1.14 Drop off and Pick up of Children

Relevant Organisations or Relevant Persons must:

- (a) ensure Children and their parent/carer or guardian know the time and location of the equestrian Activity, including start and finish times.
- (b) arrive before scheduled Activities start to ensure that Children are not left unattended.
- (c) have an accessible register of parent/carer and guardian emergency contact numbers and an operational phone.
- (d) ensure they are aware of alternative pick up arrangements for Children and that the parent or guardian has provided consent.
- (e) ensure that if a parent or guardian is late, they make reasonable attempts to contact them. It is not the responsibility of Relevant Persons to transport Children home if their parent or guardian is late for pick up.
- (f) not leave the equestrian Activity until all Children have been collected by their parent or guardian.

Annexure D: Recruitment & Screening

These recruitment and screening requirements have been developed to provide a fair, safe, consistent, and comprehensive recruitment process across Equestrian. Equestrian takes child protection seriously and ensures that Relevant Organisations recruit personnel that are suitably qualified and committed to providing professional, safe, and enjoyable programs and services to Children.

1. Child-Related Positions

- 1.1 All positions within our sport (employees and volunteers) will be assessed (new and existing) using Appendix 1: Position Assessment Checklist.
- 1.2 Positions identified as 'child-related' will require the successful applicant to be cleared by the relevant authorities as a person suitable to work with Children.

2. Position Descriptions

- 2.1 Developing appropriate selection criteria for a position is a valuable first step to reducing the risk of appointing someone who poses a child safety risk.
- 2.2 Examples of appropriate selection criteria may include: 'Must have experience working with Children'. 'Must be able to demonstrate an understanding of appropriate behaviours when engaging with Children.'

3. Advertising

- 3.1 All positions identified as child-related will include the following statement in the position description and any advertising: *{Sport Organisation} is committed to protecting Children from harm. We require all applicants that will work with Children to undergo an extensive screening process prior to appointment.*

4. Interviews

- 4.1 All applicants for child-related positions are required to attend at least one interview, preferably in person or on a videoconference (e.g. Zoom etc.).
- 4.2 During the interview, questions regarding the applicant's suitability to work with Children must be included. Refer to Appendix 2: Interview Requirements and Sample Questions.

5. Working with Children Checks

- 5.1 Working with Children Check (WWCC) laws aim to prevent people who pose a risk to children from working with Children as paid employees or volunteers. WWCC laws are currently in place in all Australian states and territories.
- 5.2 These laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with Children.
- 5.3 Relevant Organisations must meet the requirements of the relevant state or territory WWCC laws. Specific state and territory requirements can be found here: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-b-state-and>
- 5.4 All personnel that require a WWCC will supply a copy of it to, or be validated by, the organisation making the appointment.
- 5.5 Relevant Organisations may not engage a person who does not have a satisfactory WWCC in the relevant jurisdiction(s).
- 5.6 It is a serious breach of the Child Safeguarding Policy if an individual:
 - (a) who has been charged with, found guilty or convicted of an offence that would make them ineligible to be granted a WWCC, is appointed to a child-related position in equestrian; or
 - (b) continues in their position if they have been charged or convicted of a crime that would make them ineligible to be granted a WWCC.
- 5.7 Relevant Persons are required to report any criminal conviction or charge that indicates that they may present a potential risk to the Children to whom they help deliver equestrian Activities, such as illegal drug possession or use, gun crimes and assault including adult sexual assault.

6. National Criminal History Record Checks

- 6.1 Depending on the relevant jurisdictional legislation Relevant Organisations may require the preferred candidates to have completed a 'national criminal history record check' (also known as a 'police check') where the candidate does not otherwise meet the jurisdictional threshold to apply for and obtain a WWCC.

- 6.2 A criminal history does not automatically preclude an applicant from being appointed unless their criminal history suggests that they may pose a risk to Children. If there is information relevant to the employment decision, the applicant will be provided with an opportunity to respond to the contents of their police check (if they wish to do so).
- 6.3 The decision to appoint or not appoint an applicant because of a police check result, along with the rationale for that decision, must be communicated to the applicant by the Relevant Organisation.
- 6.4 A copy of the police check must not be retained. The original must be destroyed in a secure manner on completion of the recruitment process. If the applicant is appointed, a record of the date and certificate number of the police check should be recorded in their personnel file.

7. International Criminal History Record Checks

- 7.1 Any applicant who has resided overseas for 12 months or more in the last ten years must obtain an international criminal history check.
- 7.2 Some countries will not release information regarding an individual for personal or third-party purposes. Where police record checks cannot be made, reference checks must be conducted with at least two referees that personally knew the individual whilst they were residing in the other country.
- 7.3 The Relevant Organisation must inform the applicant that referees will be asked whether they have knowledge or information concerning the applicant that would adversely affect the applicant from performing the job, including any relevant criminal offences. The credentials of persons acting as referees must be verified and can include previous employers or government officials.
- 7.4 Overseas applicants should not commence child related work until this process is satisfactorily completed.

8. Monitoring compliance

- 8.1 Relevant Organisations will ensure that all personnel in child-related positions have a current WWCC as specified in state and territory legislation: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-overview>

9. Reference checks

- 9.1 The Relevant Organisation will conduct a minimum of two reference checks for the preferred applicant to gather additional information about the applicant's suitability to work in the role for which they have applied.
- 9.2 The selected referees must:
 - (a) be able to provide information relating to the applicant's suitability to work with Children;
 - (b) have known the applicant for at least 12 months;
 - (c) not be related to the applicant;
 - (d) be able to vouch for the applicant's reputation and character.

Please note: Written character references are not sufficient unless also followed up and verified through direct contact. Employees should also endeavour to contact the most recent, previous employer of the applicant.

- 9.3 Referees will be asked directly about any concerns they may have about the applicant working with Children. Refer to Appendix 3: Reference Check Requirements and Sample Questions.

10. Qualification and registration checks

Educational or vocational qualifications, or professional registration will be verified for the preferred applicant for the position, if applicable.

11. Minors

- 11.1 If a person under the age of 18 is appointed to a child-related position, the Relevant Organisation must:
 - (a) comply with the relevant WWCC legislation;
 - (b) undertake appropriate screening (interviews and referee checks);
 - (c) ensure that they are aware that they are bound by the Child Safeguarding Policy, Child Safe Practices and the obligations associated with working with Children; and
 - (d) obtain information about any pre-existing relationships, especially where the Child-applicant interacts personally with another Child participant.

Appendix 1: Position Assessment Checklist

Step 1 - Exemptions (for certain positions only – not activities)

In addition to child-related employment legislation, all states and territories have legislation that requires people who wish to register in certain occupations (e.g. teachers, doctors, or childcare workers) to be screened for criminal offences. Where professional registration requirements require screening, certain persons are exempt from the WWCC.

To check relevant exemptions please go to: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-b-state-and>

Regardless of the exemption of a WWCC, before engaging the candidate into the position the Relevant Organisation **must** undertake all other specified screening requirements.

If the position is **not exempt**, please move to **Step Two**.

Step 4 - Assess the risk

Based on your responses to Step Two & Three, identify the inherent risk of the position/activity using the table below.		Action
LOW	Nil contact	The position / activity does not have contact or work with children (i.e. you answered NO to all questions in Steps Two and Three). The Relevant Organisation does not require the position or person in the position to hold a WWCC. The Relevant Organisation does not require the activity to be supervised or the person to be on restricted duties.
MODERATE	Contact with Children	The position / activity involves or may involve contact with children (i.e. you answered YES to one or more questions in Step Two). The Relevant Organisation does require the position and person in the position to hold a WWCC. If the person does not have a WWCC they MAY begin in the role provided that the Relevant Organisation has verified their application submission, but they MUST be supervised at all times by another adult with a WWCC. These measures are to be in place until a copy of the WWCC is provided to management. (Note this does not apply in QLD or SA) The person MUST NOT begin child-related work if an interim decision on their application prevents them from working with children and/or that they have been denied a clearance or it has been cancelled. (Note this does not apply in QLD or SA)

These measures are to be in place until a copy of the WWCC is provided to management. The person MUST NOT begin child-related work if an interim decision in their application prevents them from working with children and/or that they have been denied a clearance or it has been cancelled.

Appendix 2: Interview Requirements and Sample Questions

- The interview process is a very important step in selecting the right people for your organisation and in identifying any people that may pose a risk of harm to children.
- An open-ended style of behavioural-based questioning will give insights into the applicant's values, attitudes and understanding of professional boundaries and accountability.
- All applicants should be informed during the interview that a reference check will be contacted and referees will be contacted as part of any final selection process.

Questions that MUST be asked

 - Would you please tell us about your awareness and understanding of child protection?

- Is the referee able to provide relevant information about the applicant's work history and performance?
- Has the referee observed the applicant demonstrating the skills and knowledge required for the position?

Red Flags include, but are not limited to:

- A reluctant referee

- Information that the referee will not provide
- Information that differs from the applicant's information
- Evasive or convoluted responses
- Referees that would not re-hire the applicant
- Referees that cannot be contacted
- Referees that were not informed they would be used.
