3.1 Prohibited Conduct

A Relevant Person commits a breach of this Policy when they, either alone or in conjunction with another or others, engage in any of the following conduct:

- (a) participate (whether by act or omission) in improperly altering the result or the course of an Activity in order to remove all or part of the unpredictable nature of the Activity to obtain a Benefit for themselves or others by:

- (i) the direct, pre-meditated or planned interference with the natural course of an Activity or element of an Activity¹;
 - (ii) providing modified or false information related to an athlete's identity or personal information;
 - (iii) intentionally modifying competition surfaces, horses, equipment or athlete's physiology to improperly influence the natural course of the event²; or
 - (iv) providing or receiving any Benefit that might reasonably be expected to bring the Relevant Person, Equestrian Australia, or Equestrian into disrepute;
- (b) bet, or enter into any other form of financial speculation on any Activity, or on any incident or occurrence in an Activity, connected with Equestrian Australia, whether or not they are participating in the Activity. For the avoidance of doubt:
- (i) any bets placed by a betting syndicate or group, such as a 'punter's club', of which the Relevant Person is a member;
 - (ii) an interest in any bet, including having someone else place a bet on their behalf; or
 - (iii) allowing another person to place a bet using a Relevant Person's account,
- shall be treated as if the bet was placed by the Relevant Person as an individual;
- (c) facilitate or assist with the making of a bet on any Activity or part of any Activity including communicating in any way, such as by using a mobile phone, computer or other electronic or other device, information that might give another person an unfair advantage if they were to engage in betting related to that information, other than as required as part of their official duties;
 - (d) disclose Inside Information, other than as required as part of their official duties;
 - (e) accept a Benefit to incite, cause or contribute to any breach of this Policy;

 - (g) attempt to engage in any conduct which would be Prohibited Conduct if successful; or
 - (h) fail to promptly report to the Equestrian Australia's National Integrity Manager any of the matters listed in clause 4.1(a) and (b).

4. Obligations

4.1 Reporting

- (a) A Relevant Person must, where permitted by law, promptly notify the Equestrian Australia's National Integrity Manager if he or she:
 - (i) is interviewed as a suspect, charged, or arrested by a law enforcement body in respect of conduct that falls with the definition of Prohibited Conduct;
 - (ii) has been approached by another person to engage in Prohibited Conduct;

¹ Examples may include, but not limited to, intentionally conceding points, pre-arranging the outcome of a competition, deliberate underperformance (also known as 'tanking') in any manner (through selections or not playing to a person's merits), influencing athlete selections and strategy, or intentional unfair or incorrect officiating

² For the avoidance of doubt, this does not include any matters dealt with under other relevant policies relating to anti-doping, eligibility, gender identity or selection criteria.

- (iii) knows or reasonably suspects that another person has engaged in Prohibited Conduct, or has been approached to engage in Prohibited Conduct; or
 - (iv) has received or is aware or reasonably suspects that another person has received, actual or implied threats of any nature in relation to any past or proposed Prohibited Conduct.
- (b) A Relevant Person has a continuing obligation to report any new knowledge or suspicion regarding any Prohibited Conduct under this Policy, even if the Relevant Person's prior knowledge or suspicion has already been reported.
 - (c) Notification by a Relevant Person under this clause 4.1 may be made verbally or in writing by the Relevant Person and may be made anonymously if there is a genuine concern of reprisal. A Relevant Person who makes a report anonymously is responsible for keeping a record that will allow them to confirm that they have met their obligations under clause 4.1(a).
 - (d) Equestrian Australia and Relevant Persons should be aware of relevant Commonwealth, State and Territory legal requirements to report criminal activity in relation to the manipulation of sporting competitions (match-fixing) and Inside Information.

- (b) Equestrian Australia will work with Wagering Service Providers to ensure the ongoing integrity of Activities under the auspices of Equestrian Australia and Equestrian Organisations.

- (d) To enable the Wagering Service Provider to conduct such audits, Equestrian Australia may, from time to time and subject to any terms and conditions imposed by Equestrian Australia (including in relation to confidentiality and privacy), provide to Wagering Service Providers details of Relevant Persons who are precluded by this Policy from engaging in Prohibited Conduct.
