

# ONE SPORT, ONE MEMBERSHIP

## Introducing equestrian's new membership structure

Dear Members,

Equestrian Australia is pleased to unveil the new national membership structure that will come into effect as of 1 July 2013. These new membership categories will come into effect for Western Australia, Queensland and the Northern Territory at their next renewal period.

So why is there are a new membership structure? You may not be aware but previously membership categories differed state by state, with more than 45 membership categories existing around the country. There was no consistency in terms of membership status or recognition.

The new structure is not only designed to make it easier to understand the equestrian sport system in Australia, but is also designed to make it simpler for new members interested in being involved in the sport.

We recognise that everyone joins our sport for a different reason and that not everyone intends to compete at the highest level of the sport. Whether you're a volunteer, official, owner, coach or you just like to compete at the lower levels of the sport with your horse and friends, we want to ensure there are appropriate categories for everyone.

For the last two years, EA together with the State Branches and discipline committees, have worked hard to take the 45 former categories and create 6 national categories that will accommodate everyone. These being:

### Individual

1. Competitor
2. Participant
3. Supporter

### Groups

4. Clubs
5. Sport Affiliate
6. Commercial

We know that for some of you this may mean a change from previous membership levels you have paid for. I would encourage you to read the following details outlining the new membership categories and should you have any questions about which category to sign up for, please contact your State Branch or the EA office.

Regards

Dr Warwick Vale, Chairman of Equestrian Australia

FROM THE CHAIRMAN

## COMPETITOR

### What is a COMPETITOR member?

COMPETITOR members are those that participate and contribute to the competitive environment of equestrian sport. A COMPETITOR member is permitted to compete at all levels of the sport being 'competitive' and 'participation' activity categories (see table below).

### What membership category used to be a COMPETITOR member?

Under your previous membership, you may have been one of the following categories:

- Senior/Junior
- Students
- Associate
- Senior Show Horse
- Honorary Life Member (non-paying member)
- Paid Life Member

### COMPETITOR activity categories

Below outlines the activity a COMPETITOR member can compete and participate in depending on the discipline(s):
