

## REVISED FEI Fees for 2019

It has come to our attention that GST has negative cash flow implications on the Organising Committees (OCs) of FEI events, in particular, those OCs who are not registered for GST and cannot claim the GST back from ATO.

To make the invoicing of FEI events simpler, Equestrian Australia (EA) has revised its FEI schedule of fees for 2019 calendar year.

The table below shows the FEI charges in Swiss Francs (CHF) currency. EA will convert the CHF currency to AUD on the date the FEI invoice is received by EA office.

No GST will be applied to FEI charges.

In addition to this, EA will charge an Administration fees of \$220 (GST Inclusive) per event for administering the FEI events. This administration fees will be added to the Calendar Fees (only) as a separate line item.

If the Organising Committee wishes to pay the FEI directly, they would still need to pay the Administration fees of \$220 to EA.

REVISED FEI Fees 2019	1*/2* Events	3*/4*/5* Events
	CHF	CHF
FEI Calendar Fees	300	500
FEI Organising Dues	500	500
Technical Delegate for Eventing 3* plus only	0	1500
Franchise Fees	0	500
Late Additions to Calendar	300	1000
Date Changes to Calendar	0	500

The Equine Anti-Doping Controlled Medication (EADCMP) levy is CHF18 and CHF25 for lower level and higher level events respectively.

**NOTE:** CSI1\*-W World Cup™ Jumping is considered a higher level event, because of its World Cup status so it attracts fees at 3\*/4\*/5\* level. In addition, it attracts the World Cup™ Franchise Fee. The EA administration fee is not charged for these events only.

If you have any concerns regarding this please contact the EA office: (02) 8762 7705.
