

Summary of Rule Changes

Equestrian Australia Eventing Committee

The following Eventing rule changes become effective 1 January 2026

Rule	Heading	Justification	Revised Rule
538.1.2	Whips	At the entry levels riders that have calm, relaxed horses often wear spurs to better execute the transitions to trot and/or canter and are often not secure enough with their lower leg, or their legs are not long enough, to use spurs correctly and/or safely.	<p>538.1.2 Whips</p> <p>a) Training - A whip no longer than one 120 centimetres including lash is allowed when riding on the flat at any time. A whip no longer than 75 centimetres and not weighted at the end is allowed while jumping any obstacle.</p> <p>b) Horse Inspections - A whip no longer than 120 centimetres including lash is allowed at the Horse Inspections.</p> <p>c) Dressage Test - A whip is not allowed entering the space around the arena and during the Test.</p> <div style="border: 1px solid red; padding: 5px; margin: 10px 0;"> <p style="color: red;">Riders in EvA 80cm competitions and below may carry a whip when entering the space around the arena and during the test. A whip no longer than 120cm including lash, or a crop no longer than 75cm and not weighted at the end, is allowed.</p> </div> <p>d) Cross Country and Jumping Tests - A whip no longer than 75 centimetres and not weighted at the end is allowed during these tests.</p>
EA 543.4	National Dressage	As above	<p>EA 543.4 National Dressage</p> <div style="border: 1px solid black; padding: 10px;"> <ul style="list-style-type: none"> • At CCN-L competitions a formal Ground Jury will be appointed with similar to FEI duties. • At CCN-S competitions there will be no formal Ground Jury. • Judges will be appointed to mark the Dressage Test. • A Technical Delegate (TD) is always present and is available to Judges at all times during the Event to assist with rule clarification. Judges should make sure they know who the TD is on the day and have radio contact with the TD. </div>

			<ul style="list-style-type: none"> • At CCN-S the Judges are only responsible for the Dressage phase in conjunction with the Technical Delegate. • The Judge must report to the Technical Delegate any case of abuse of horse or lameness. • Judges are to be aware of the FEI Eventing Dressage Rules. • In exceptional circumstances the Technical Delegate may authorise the use of only one judge. • Overseas National Judges, certified by their National Federation to be of a particular level of qualification, may also be used. • A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A will incur elimination if the arena is fully enclosed to the recommended minimum height of 30cms and the gate at A has been closed. • A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A will be awarded an error of course for the movement if the surrounds are not at least 30cms in height or if the arena has intermittent boards or line marking. • If the arena is 30cms or over, a horse leaving the arena anywhere, other than through an open gate will be eliminated. • A horse leaving the arena with all four feet between the time of entry at A and the time of exit at A, through the gate at A will be awarded an error of course for the movement if the gate has not been closed. When a horse makes such an “error of course” by leaving the arena with all four feet between the time of entry at A and the time of exit at A, the judge at C warns him, by sounding the bell. The President then directs him to re-enter the arena at the nearest practical place, then shows him, if necessary. • Half marks will be used in all Eventing Dressage. • For competitions 95cm and above carrying a whip around arena -2. A whip or crop may be carried in competitions 80cm and below. • For competitions 95cm and above, carrying a whip in the arena -2 (judge must ring the bell and ask rider to drop whip as soon as noticed). A whip or crop may be carried in competitions 80cm and below. • Incorrect dress or saddlery -2 (other errors). • Ear Hoods - permitted for all Events and may also provide noise reduction. However, ear hoods must not cover the Horse’s eyes and ear plugs are not permitted. • Falls in dressage arena (elimination). • Lameness (Ask TD to organise a vet to check the horse before jumping phases rather than eliminate unless obviously uncomfortable and MARKEDLY lame). • Blood on horses see rule 526.4.

The Athlete then continues the test, either starting from the beginning (from the inside of the fence) or from the movement where he was stopped. The marks given before he was stopped are not changed; - Entering the arena before the sound of the bell; - Not entering the arena within forty five (45) seconds after the bell, but within ninety (90) seconds; - Athletes not taking the reins in one (1) hand at the salute </div>

522.1	Reverse Qualification – Horse	<p>Currently item 522.1 allows riders to retire rather than face the risk of subsequent eliminations and a mandatory reverse qualification</p> <p>As much as we support the idea of consolidating at a level, we believe that too many riders are putting progression</p>	<p>A reverse qualification is triggered by 2 consecutive eliminations or a combination of any 4/5 consecutive eliminations and/or retirements</p>					

		<p>ahead of responsibility. Multiple and consecutive retirements/eliminations clearly reflects that they are struggling and may compromise rider safety and horse welfare</p>
