Annex F	Athlete Representative	CR # 16 a), b, c): Athletes Representative	<p>Annex F Athlete Representative</p> <p>EA CCN Athletes Representative</p> <p>The CCN Athletes Representative (AR) is a key link between officials and competitors at Events. An AR should be appointed at all CCN competitions and must be present at the competition. The OC will publish the name and contact details for the AR in the schedule (if known at the time of publication) and in the Riders Notes issued before the event. The notification of the AR to athletes should be 7-days prior to the commencement of the event. The AR contact details should be posted on the Competition Noticeboard.</p> <p>Key Responsibilities:</p> <ul style="list-style-type: none"> • To act as a focal point for riders to communicate concerns about any aspect of the competition and to communicate those concerns in a timely manner to officials. • To discuss concerns raised with officials, be part of the resolution process and be one channel of communication of the resolution to riders (it is also required that officials communicate any broad changes to courses or timetable etc via the noticeboard and other means to ensure riders are properly informed) • To be a sounding board for officials and participate in decision making where required. • To provide feedback to TD/CD and OC about areas for improvement (normally done by completing the Rider Rep report form and returning at the conclusion of the event) <p>Selection Criteria for the Athletes Representative</p> <ul style="list-style-type: none"> • Approachability - the appointee is approachable by younger and/or less experienced riders. • Experience – the athlete is experienced at the level for which they are appointed. • Availability during the event. <p>Communication</p> <ul style="list-style-type: none"> • ARs must be asked if they accept their appointment. • The names of the appointed ARs, classes for which they are appointed, and contact details should be posted with the draw and MUST be posted on the noticeboard at the event. • At long format events, the AR should be introduced at the Athletes briefing.

Annex B	Cross Country - Annexes	CR #19 a), b), c), d) Near Miss & Fence Judge reporting	<p>Annex B - Cross Country - Annexes</p> <p>Unplanned Occurrence</p> <ul style="list-style-type: none"> An 'Unplanned Occurrence' is defined as any occurrence at a Cross-Country fence where penalty points are incurred, except a fall of horse and/or athlete. This includes refusals and runouts or missed flags and also includes circumstances that require that the Fence Judge to request assistance from the Control, TD or Crash Crew where there is potential to cause harm. This this should be noted on the Fence Judge and/or Control sheets. An example of this could be that the footing is looking slippery, and the Crash Crew is needed to add additional crusher dust or road base. Fence Judges and Control need to be briefed on the above recording process at the Fence Judges Briefing. TDs must report these circumstances in their TD report eg. where a particular jump has an excessive number of penalties incurred, or a fence requires repair multiple times due to design or footing is unsuitable. TD reports will be consolidated by the NSM and reported to the EAEC for review so these potential safety issues can be examined.
