### WELFARE OF THE HORSE – CODE OF CONDUCT

1. In all equestrian sports the horse must be considered paramount.
2. The well being of the horse shall be taken above the demands of the breeders, trainers, riders, owners, dealers, organisers, sponsors or officials.
3. All handling and veterinary treatment must ensure the health and welfare of the horse.
4. The highest standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times.
5. Adequate provision must be made for ventilation, feeding, watering and maintaining a healthy environment during transportation.
6. Emphasis should be placed on increasing education in training and equestrian practices and on promoting scientific studies in equine health.
7. In the interests of the horse, the fitness and competence of the rider shall be regarded as essential.
8. All riding and training methods must take account of the horse as a living entity and must not include any technique considered by the FEI to be abusive.
9. National Federations should establish adequate controls in order that all persons and bodies under their jurisdiction respect the welfare of the horse.
10. The national and international Rules and Regulations in equestrian sport regarding the health and welfare of the horse must be adhered to not only during the national and international events, but also in the training. Competition Rules and Regulations shall be continually reviewed to ensure such welfare.

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).
